Reference for the Citizenship, North American Industry Classification System, and the Standard Occupation Classification codes

This reference is for completing the 2018 W-2CM entry boxes C, employee's citizenship code (CIT), D, employer's North America Industry Classification System (NAICS), and E, employee's Standard Occupation Classification (SOC).

Example 1 (CIT): Mr. A was recruited from the Philippines as a guest worker to work for ABC company. Since Mr. A is a citizen of the Philippines, his citizenship code is RP, as found in the Foreign Country Code Listings in this publication. Enter the appropriate code in box C of 2018 Form W-2CM.

Example 2 (NAICS): The employer, ABC company, is engaged in the construction business. To find the correct NAICS code, log in the NAICS website at <https://www.census.gov/eos/www/naics/>. Use business key word(s) such as "construction" in the 2017 NAICS search box. When the search is completed, it will display a list of business industry codes related to construction. Select the most appropriate 6-digit code that describes your business and enter it in box D of 2018 Form W-2CM.

Example 3 (SOC): ABC company hired Mr. A, whose occupation is carpenter. To find the correct occupation code for Mr. A, log on to the O-NET website at www.online.onetcenter.org/find/. Use a keyword such as "carpenter" in the keyword search box. When the search is completed, it

will display a list of various occupations related to carpenters. Select the most appropriate 8-digit code that describes the type of carpentry work for Mr. A, and enter it in box E of 2018 Form W-2CM.

- Citizen of Country Code (CIT)
- NAICS (North American Industry Classification System)
- SOC (Standard Occupation Classification)

NAICS codes may be found at the following URL:

<http://www.census.gov/eos/www/naics/>

Enter Keywords in the 2017 search box:

The screenshot shows the 'NAICS Search' page. On the left, there are three search boxes for the years 2017, 2012, and 2007. Below these is a 'Reference Files' section with a list of links for various NAICS years and documents. On the right, the 'Introduction to NAICS' section provides background information. The main content area features the cover of the '2017 NAICS Manual' (North American Industry Classification System) with a link to 'View or download this publication'.

On this screen, you will enter the industry you are looking for. For example, if you are looking for construction, type the word "construction" (no quotes) in the key word box. See illustration in box.

The screenshot shows the search results for the keyword 'construction'. The page header includes the Census Bureau logo and navigation tabs for Topics, Geography, Library, Data, Surveys/Programs, Newsroom, and About Us. The main heading is 'North American Industry Classification System'. Below this is a 'NAICS Search' section with a search box containing '2017 NAICS Key Word Search'. The results show 'Search results for: construction' with 421 records found. A list of NAICS codes and their descriptions is displayed, including 212321 (Sand, construction grade), 212322 (Sand and gravel quarrying), 212323 (Construction sand and gravel dredging), 212324 (Construction sand and gravel beneficiating), 213112 (Preparation of oil and gas field drilling sites), 213113 (Oil and gas field services), 213114 (Contract services), 213115 (Bituminous coal or lignite surface mine site development), 213116 (Bituminous coal mining services), 213117 (Auger coal mining services), 213118 (Anthracite mining services), 213119 (Lignite mining services), and 213120 (Coal mining support services).

The result for your search will be displayed (left) showing the various codes for construction industries. Select the most appropriate code for your business.
